## **Claude Ste-Marie Sport – A new dealer for Campagna Motors' T-REX and V13R**

**Montreal, August 14, 2009** – Campagna Motors has just signed an agreement enabling Claude Ste-Marie Sport in St-Hubert to sell and service its renowned three-wheel vehicles. General Manager Luc Marchand is pleased and proud to be able to offer his clients a vehicle of this calibre, confirming that his entire team is very enthusiastic about the prospect of offering this high-performance vehicle to their clientele.

Adding another dealer in the Greater Montreal area is part of Campagna Motors' expansion efforts in Québec, prompted in part by the recent changes to the law enabling holders of a class 5 driver's license to operate Campagna Motors vehicles.

The growth in the local market parallels the expansion of the American sales effort to build a solid network in order to get the most out of the economic recovery.
